

Draw your favorite parade scene and win

The 2005 Ukrop's/Retail Merchants Association Christmas Parade will feature many fantastic floats, balloons, bands and more. New balloons, such as Little LuLu, are appearing in their very first holiday parade. For the first time also, parade watchers will be able to purchase a commemorative Parade Program, featuring information about the floats, bands, sponsors and more.

Children ages 5 – 12 are invited to draw their rendition of the perfect parade poster featuring scenes from this year's event. The winning drawing will be featured in the 2006 Official Parade Program.

Completed entries must be postmarked by Saturday, December 31. The parade planning committee will determine the first place winner whose drawing will be featured in

next year's program. First prize also includes a VIP Grandstand Family Viewing Pack to view the parade in style.

The second place winner will receive a Little LuLu DVD; third place will receive Casper on DVD. The Ukrop's/Retail Merchants Association Christmas Parade reserves the right to utilize the winning entries in future marketing and communications.

To enter, simply mail your completed entry form with your color drawing to:
